15 Years of Stage Excellence - Creativity - Friendship
May 11 & 12, 2024 | Creske Center Auditorium

Dear Friends and Family,

We wish you a very warm welcome to our fifteenth annual Centerstage performance. It has been an honor to be part of the Central Wisconsin community and to serve you and your families. Sharing the gift of dance is our favorite thing to do. We see how dance builds confidence, strength, poise, friendship, artistry and so much more.

I am very grateful for the hard work of our teaching faculty, many of whom work other full and part time jobs in addition to teaching for us. The staff's passion for dance and love for your children have fueled our success.

Some of the best things about being in business for fifteen years are: getting to know so many great families over the years, seeing dancers that were three and four years old when they started now performing in our graduating senior dance, seeing some of our former dancers now be old enough to have children of their own who are dancing, and having dancers who grew up with us now teaching for us. Every year has brought new experiences and new challenges. On a personal note, being able to work alongside my best friend and husband Bradley who has been instrumental in making the business work from behind the scenes has been an honor, he keeps me grounded.

Thank you for giving us the opportunity to work with your children, it is such a blessing and a source of joy. Watching them walk through the doors of the studio each day is a new opportunity for us to make a positive difference in their day and ours!

We hope you enjoy the show!
